Review Quotes

"Bentley's Fantabulous Idea is a charming children's book full of a delightful variety of characters who share in a great adventure. The artistry is endearing, and the message is about inclusiveness and caring. I have read it many, many times and I never cease to be delighted with both the pictures and the story. A delightful, enchanting and fun read." - Sherry Ezell Schlossnagle

"Bentley's Fantabulous Idea is a super cute, fun filled book for young kids! My 2.5 year old will absolutely love identifying all the animals and the rhyming throughout the book will be something that my son will catch onto and sing along while we read! I love the hidden aspects to make it both an adventure and heartwarming book before bedtime!" - Nicole Westphal - Campus Recruiter

"Simply stated, Miki Taylor's book is a Fantabulous Idea! Bentley, Betty & Mr. Bee & the whole crew take us on a fun, enlightening, educational ride with life lessons along the way! Don't take my word for it though, my five year old grandson gives Bentley's Fantabulous Idea Book a hearty, albeit tiny thumbs up! The only problem Betty needs to solve is keeping this book on the shelves, if we even do shelves anymore!!" Mike Jerrick TV Personality & Co-host Fox 29's Good Day Philadelphia
